OUR GOAL:

END EXTREME POVERTY IN AFRICA’S DRYLANDS

BOMA is working to lift 3 million people out of extreme poverty — defined as living on less than $1.90 per day — by 2027. Our mission is to provide the people and governments of Africa’s drylands with economic inclusion programs that increase resilience to multiple crises.

Founded 15 years ago to eliminate extreme poverty among pastoralist women in Kenya, BOMA has since transformed the lives of more than 350,000 women, youth and refugees in multiple countries. BOMA stands out for its focus on last mile populations of the drylands of Africa, who are most at risk to shocks from climate change and COVID-19, tech savvy and data driven approach, impressive graduation rate, and 99% local structure based in Africa.

BOMA’s poverty graduation approach — the Rural Entrepreneur Access Project, REAP — empowers women, youth, and refugees by mapping the barriers to overcoming extreme poverty and then implementing a series of sequenced interventions with a defined exit strategy. Upon graduating from REAP, participants report marked increases in wellbeing, resilience to shocks, and quality of life:

- 147% increase in income
- 1400% increase in household savings
- 210% return on investment
- 99.34% household eating 2 meals/day
- 99% in business 2 years later
OUR APPROACH:

RURAL ENTREPRENEUR ACCESS PROJECT [REAP]

The Rural Entrepreneur Access Project (REAP) is BOMA’s original 24-month model that “graduates” families out of extreme poverty through a six-stage process:

TARGETING

Community-led development is — and always will be — part of BOMA’s core values. We identify new BOMA participants through a three-pronged approach entailing community consultation, ranking through BOMA’s unique targeting tool, and baseline surveys conducted by trained, independent enumerators.

TRANSFER

Each business receives a seed capital grant of $200 to launch the enterprise. A second, performance-based conditional cash transfer of $100 is distributed at six months, following a satisfactory progress report by the Mentor. As of 2021, all cash transfers are now done via mobile money.

TRAINING

Mentors provide training and coaching throughout. Financial training sessions cover supply and demand, profit and pricing, record keeping, marketing, savings, borrowing, lending, planning for long-term expenses, and investing. Life-skills sessions include household decision-making, the importance of educating children, family planning, natural resource management, and women’s rights.

MENTORING

A BOMA Mentor assembles business groups of three qualified women and helps them launch their businesses, then visits each business monthly to provide ongoing support. Mentors are a key aspect of BOMA’s program delivery and contribute powerfully to the success of our participants.

SAVINGS

At six months, Mentors assemble 3-5 business groups into savings associations, whose members meet monthly to deposit or withdraw savings. Mentors work with each group and deliver micro-trainings for the remaining 18 months. These savings can prove critical in helping participants weather shocks like drought or disease.

LINKAGES

All BOMA savings groups are registered with County Social Services, facilitating their ability to open a bank account and access formal financial institutions and services. Depending on access, BOMA also helps participants open personal bank accounts. All BOMA participants are provided with a mobile phone and connected to M-PESA, a mobile money-transfer service.

REAP is cost effective and the evidence of impact is clear, with more than 350,000 lives transformed since 2009. Today, BOMA is partnering with governments, NGOs, and research & advocacy organizations to incorporate REAP into social protection and humanitarian response systems to reach three million people across nine countries by 2027. So far, BOMA’s basic REAP model has been adapted for nutrition objectives as well as for new populations including refugees and youth.
2021 was a breakthrough year for BOMA, including the adoption of a new strategic plan which will guide our organization through 2027. To achieve the ambitious goals we’ve targeted, BOMA is embracing the following objectives in coming years:

**ADAPTING TO NEW POPULATIONS**
BOMA’s focus is evolving to emphasize resilience-building programs for vulnerable populations including women, youth, populations impacted by climate change & COVID-19, refugees, and internally displaced persons (IDPs).

**EXPANDING TO NEW COUNTRIES**
BOMA is expanding to new countries through Direct Implementation, Government Adoption & Strategic Partnerships. Targeted countries include Nigeria, Chad Ethiopia, and Burkina Faso with strong criteria and rigorous due diligence.

**HONING REAP FOR SCALE**
To expand at this scale, BOMA will place a new emphasis on Government Policy Influence, outline a structure for Multi-Country Expansion, and pursue the development of a Center for Poverty Graduation and Resiliency Excellence.

**BUILDING A DELIVERY STRUCTURE**
BOMA’s model is being optimized for adaptability and affordability. Areas of focus include reducing per-participant costs, diversifying financial and market linkages, bolstering research and evaluation, and continued innovation through Performance Insights.

**INVITING SUPPORT FOR OUR WORK**
Mackenzie Scott’s investment offers an unprecedented opportunity to invite support from funders. To reach 3 million by 2027, BOMA will need at least $90 million for program delivery, structural capacity costs, and breakthrough investments.

**BOLSTERING TEAM BOMA**
BOMA will strive to optimize our “Africa-centric” organization with a highly-effective leadership team and county management teams.
ABOUT THIS ROLE

The Chief of Development and Marketing Officer is an expert, strategic functional leader with experience in brand marketing and fundraising. The Chief of Development and Marketing Officer manages all marketing and fundraising functions including Marketing, Communication, and Major Gifts. The CDMO will shape the BOMA brand, positioning BOMA as a leader, influencing the dialogue, agendas, and policies of others, and drive support for BOMA’s work. The CDMO also designs and leads the fundraising strategy and is responsible for creating a vision that aligns with and supports BOMA’s strategic Plan.

The Chief of Development and Marketing will drive new thinking and ideas that deliver excellence in marketing, communication, and fundraising activities and position the brand to achieve long term growth, while meeting fundraising and brand goals.

As a key leader, the Chief of Development and Marketing represents the organization in public events and media opportunities, and directly supports CEO communications. The Chief of Development and Marketing serves as a member of the Executive Leadership Team (ELT) and is a key contributor to BOMA’s strategic direction and is directly involved with the US board of directors, especially regarding fundraising (advancement).

As part of this role, the Chief of Development and Marketing will manage senior staff and is expected to develop and manage a departmental budget.

BOMA is headquartered in the USA and Kenya, this is a global position that can be held remotely. Travel to the USA, Kenya and other countries will be required for meetings with partners, donors, senior staff, and the board of BOMA.
